RE: ENGLEWOOD WATER DISTRICT PRECAUTIONARY BOIL WATER NOTICE

As a result of a water main break, the Englewood Water District is issuing a Precautionary Boil Water Notice starting at **1855 Gulf Blvd south to 900 Gulf Blvd (Stump Pass Beach State Park) including side streets, Stanford Dr, Meredith Dr, Whitcomb St, Coquina Ln, Wilhelm Dr, Friendship Ln, Sand Dollar Ln, Mockingbird Ln, Beachcomber Ln, Shoreview Dr, Holiday Dr, Sable Ln and Little Ct, Englewood, FL.**

Notification of this advisory will be delivered by a Code Red notification.

As a precaution, we advise that all water intended for consumption—such as for drinking, preparing food or beverages, making ice, brushing teeth, or washing dishes—be boiled for at least one minute at a rolling boil. Alternatively, bottled water may be used.

This Precautionary Boil Water Notice will remain in effect until the necessary repairs have been completed and bacteriological testing has confirmed that the water supply is safe for consumption.

Should you have any questions or require additional information, please contact:

Kyle Herzog
Water Distribution Manager
Englewood Water District
Phone: (941) 474-3217

Thank you,
Englewood Water District
