Bid Closing Date: 2:15 p.m. (EST), August 26, 2022

Bidders are notified that this Addendum will be made part of the bid documents. The intent of the Addendum is to add to, modify, or clarify the documents. Should any of these items have an effect on price, such changes shall be included in the bid price. These items have the same force and effect as if contained in the original documents.

CLARIFICATION TO QUESTION ASKED:

Q: I would like to know if the bid alternative can be given to a different Contractor than the bid base, meaning if we can offer our fuel polishing service as an alternative bid different from another Contractor who has already the bid base.

A: At this time, the District intends to award the base and alternate bid to the same Contractor.

Bidders are required to acknowledge receipt of this addendum in their bid forms.
