

Notice of Intent to Award a Single Source Procurement

Subject: Polypro 4941 from Carus Corporation

Date: August 4, 2023

Due Date: August 24, 2023

Sole/Single Source No: SS 2023-113

This is not a Request for Proposals as there is no solicitation available. The proposed action is for product or services for which the Englewood Water District intends to award with only one source in accordance with Florida State Statute 287.057(5)c. Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes.

The Englewood Water District gives notice of its intent to procure Polypro 4941 polymer in 275 gallon totes, from Carus Corporation, exclusive distributor of Polypro 4941 (manufactured by Solenis) in the state of Florida, through single source procurement. The product is a cationic emulsion with an 80% charge, 46% active content, high molecular weight and branched in structure.

Interested firms or individuals may identify their interest and capability to respond to the requirement by submitting in writing their name, address, point of contact, telephone number, email, and a statement regarding their capability of meeting or exceeding the requirements stated herein. All responses received within fifteen (15) business days after the date of publication of this notice will be reviewed by the Englewood Water District. A determination by the District not to compete this proposed action will be based on the responses to this notice and the discretion of the District.

All responses must be in writing and returned to Purchasing Department, Englewood Water District, 201 Selma Ave, Englewood, FL 34223, by fax (941) 460-1025, or email to bwheaton@englewoodwater.com. Please note the sole/single source number on the documentation. No verbal requests will be honored.
