

Notice of Intent to Award a Sole/Single Source Procurement

Subject: AIRVAC Vacuum Pits and Associated Components
Date: May 7, 2024
Due Date: May 28, 2024
Single Source No: SS 2024-117

This is not a Request for Proposals as there is no solicitation available. The proposed action is for product or services for which the Englewood Water District intends to award with only one source in accordance with Florida State Statute 287.057(3)c. Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes.

The Englewood Water District is providing notice of its intent through sole source procurement to utilize AIRVAC, Inc. for the purchase of vacuum pits and vacuum pits components for the District's wastewater vacuum system.

Interested firms or individuals may identify their interest and capability to respond to the requirement by submitting in writing their name, address, point of contact, telephone number, email, and a statement regarding their capability of meeting or exceeding the requirements stated herein. All responses received within fifteen (15) business days after the date of publication of this notice will be reviewed by the Englewood Water District. A determination by the District not to compete this proposed action will be based on the responses to this notice and the discretion of the District.

All responses must be in writing and returned to Purchasing Department, Englewood Water District, 201 Selma Ave, Englewood, FL 34223, by fax (941) 460-1025, or email to bwheaton@englewoodwater.com. Please note the sole/single source number on the documentation. No verbal requests will be honored.

RE: AIRVAC SOLE SOURCE AGREEMENT 2024

Dear Madam or Sir,

This letter acknowledges products manufactured and distributed by Airvac, Inc. are proprietary and sole sourced. Thus, these products are manufactured, sold, and distributed exclusively by Airvac, Inc.

As a matter of importance, the Airvac design uses a unique two-phase, plug less vacuum sewerage transport system and certain of its components are protected by various United States patents. The patented Airvac system(s) and product(s) may not be used or sold without authorization by Airvac, Inc. The purchase of products from Airvac, Inc. and their use in accordance with Airvac specifications is an authorized use.

The use of non-Airvac replacement parts have shown to create reliability and dependability problems, as such, it is not recommended. By doing so, all product and other system related warranties will be void.

If you desire additional information, do not hesitate to contact us at anytime or visit our website at www.airvac.com. Thank you for your interest in Airvac and our product(s).

Respectfully,

Clint Hawn
President | CEO
