The Englewood Water District will supply a temporary water (construction) meter to be placed at

_____ Date Needed: _____

Location (Indicate Hydrant # if Applicable)

Type of end needed: _____ (2", 3", hose bib, etc.) Intended use _____

BILLING: The Englewood Water District will bill MONTHLY for the \$30.00 meter rental fee and usage. Bills are due within 20 days. The current rates are as follows:

0-12,000 gallons = \$6.07/1,000 gallons
 12,001-18,000 gallons = \$10.12/1,000 gallons
 over 18,000 gallons = \$15.81/1,000 gallons

DEPOSIT: A \$750.00 deposit is required. When a meter is returned and found to be in good working condition, the final charges will be calculated, and any outstanding invoices will be deducted from the deposit. An invoice will be rendered if a balance is due, or a refund will be issued.

HYDRANT METER MOVE FEE: A \$30.00 fee will be charged to the account for each request to move the hydrant to another location.

TAMPERING: A tampering fine will be issued, and this contract may become void if the meter is moved from the above referenced location or the system is tampered with in any way. Per the current Customer Rules and Regulations, the tampering fine for the 1st offense is \$500 plus damages. Fines increase with multiple offenses.

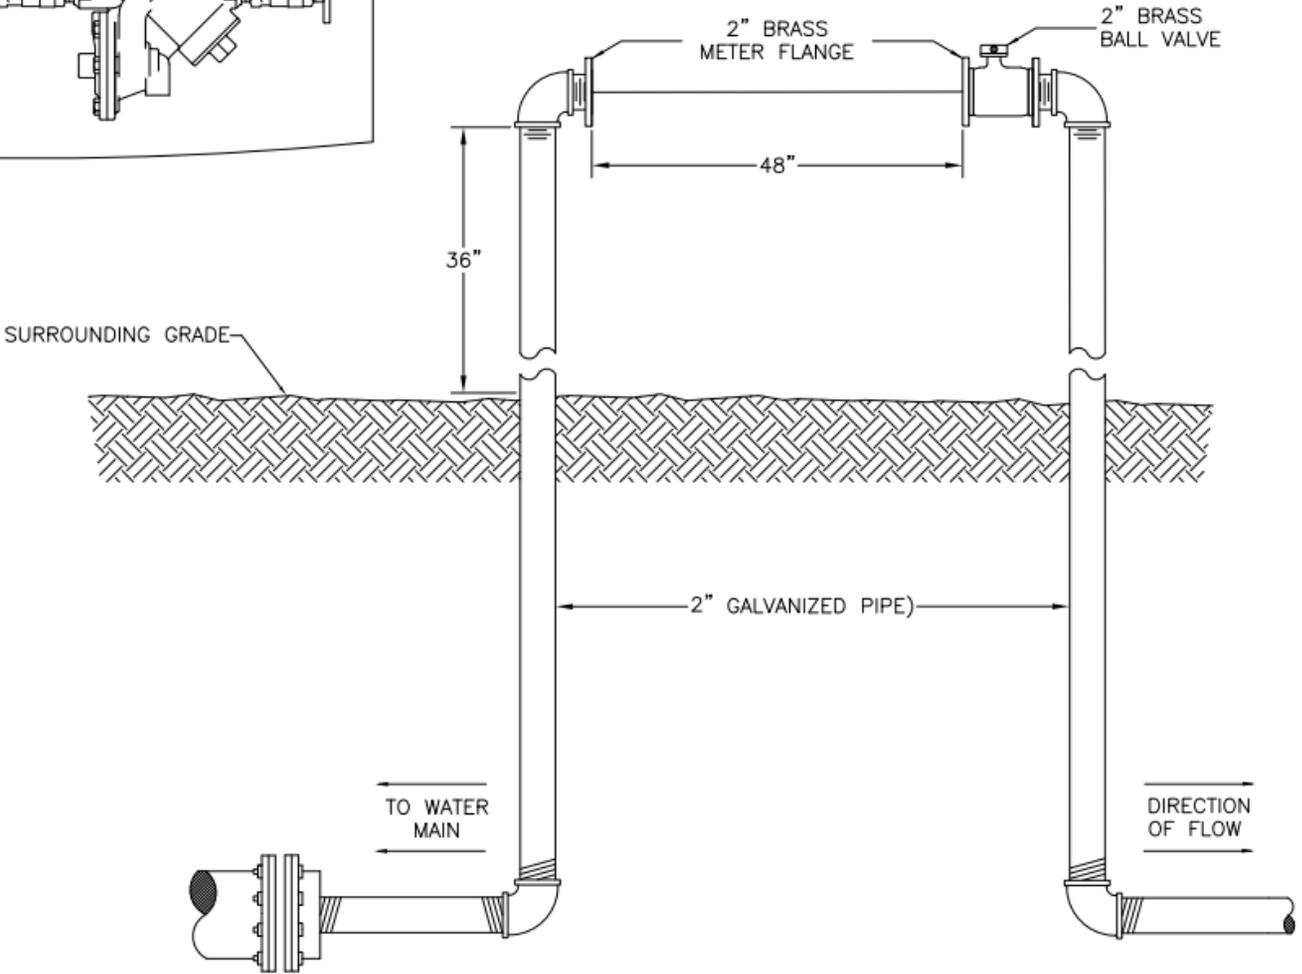

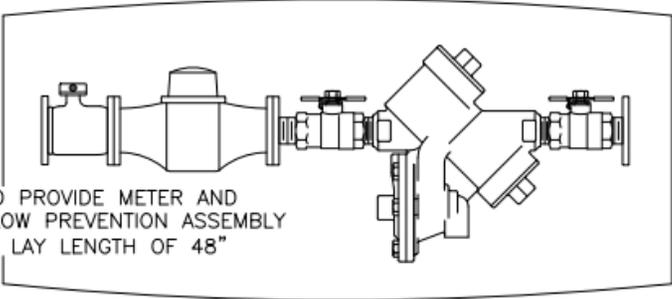

NOTE: This contract will become void, the deposit will not be refunded and the customer/business making this application will be invoiced for the remaining balance of the current replacement cost of the meter and backflow if for any reason the meter is missing or damaged. Rates subject to change at any time.
